

NOTE 15 – RESTRICTIONS, RESERVES, DESIGNATIONS, AND CHANGES IN EQUITY**Net Assets**

The government-wide and proprietary fund financial statements utilize a net assets presentation. Net assets are classified into three categories:

Invested in capital assets, net of related debt – Consists of capital assets net of accumulated depreciation and reduced by outstanding balances of bonds, notes and other debt that are attributed to the acquisition, construction, or improvement of those assets.

Restricted net assets – Results when constraints are placed on net asset use either by external parties or by law through constitutional provision or enabling legislation.

Unrestricted net assets – Consists of net assets that do not meet the definition of the two preceding categories.

Restricted Net Assets – Business-type Activities (in thousands)

\$ 231,977	Public Transportation Enterprise restricted for future construction projects (\$221,032) and debt service (\$10,945).
85,054	Water Quality Enterprise restricted for future construction projects (\$51,965), debt service (\$28,419), and litigation settlements (\$4,670).
9,573	King County International Airport Enterprise restricted for future construction projects.
<u>2,658</u>	Radio Communications Enterprise restricted for construction.
<u>\$ 329,262</u>	Total Business-type Restricted Net Assets

Reserves and Designations

King County records two general types of reserves. One type indicates that a portion of the fund balance is legally segregated for a specific future use; the other type indicates that a portion of the fund balance is not available for appropriation. Designated fund balances, on the other hand, represent tentative plans (including those plans prescribed by local ordinance) for future use of financial resources.

Reserved for inventory – Segregates a portion of fund balance in the amount of the inventory of supplies carried as an asset; it represents resources that are not available and spendable for the fund's current operations.

Reserved for prepayments – Segregates a portion of fund balance equal to the asset prepayments; it does not represent available, spendable resources for the fund's current operations.

Reserved for encumbrances – Segregates a portion of fund balance for commitments made for goods or services that have not been delivered or completed as of year-end. The budget for these commitments will be reestablished in the new year without reappropriation.

Reserved for advances to other funds – Segregates a portion of fund balance for advances to other funds (the noncurrent portion of interfund loans receivable) to indicate that they do not constitute available financial resources and are not available for appropriation.

Reserved for animal services – Segregates a portion of fund balance to indicate that resources are restricted solely for the purpose of funding the animal services program, which promotes and enforces the humane treatment of the animal population of King County.

NOTE 15 – CONTINUED

Reserved for crime victim compensation program – Segregates a portion of fund balance to indicate that resources are legally restricted to the crime victim compensation program and are not spendable resources for other expenditures (chapter 7.68 RCW).

Reserved for criminal justice – Segregates a portion of fund balance to indicate that resources are to be used exclusively for criminal justice purposes (RCW 82.14.340).

Reserved for debt service – Segregates a portion of fund balance to indicate that resources are to be used solely for the payment of debt service.

Reserved for drug enforcement program – Segregates a portion of fund balance to indicate that resources are legally restricted solely for the purposes of enhancing enforcement of the Uniform Controlled Substances Act, chapter 69.50 RCW, or other laws regulating controlled substances, including training, equipment, and operational expenses.

Reserved for antiprofitteering program – Segregates a portion of fund balance to indicate that resources are legally restricted solely for the purposes of the investigation and prosecution of any offense included in the definition of criminal profiteering set forth in chapter 9A.82 RCW.

Reserved for dispute resolution centers – Segregates a portion of fund balance to indicate that resources are legally restricted solely for the purpose of funding dispute resolution centers (RCW 7.75.035).

Designated for equipment replacement – Indicates that a portion of fund balance has been earmarked for the replacement of equipment.

Designated for capital projects – Identifies a portion of fund balance in the General Fund equal to the budget for capital projects not expended and expected to be reappropriated for the coming year. The projects may be decreased, increased, and changed in scope by the County Council in their budget deliberations.

Designated for claims and judgments – Segregates a portion of fund balance to indicate that resources have been earmarked for payment of legal settlements relating to the collection of past Public Health revenues.

Designated for DDES – In the Department of Development and Environmental Services (DDES) Fund, this account sets aside revenues for permit fee supported areas of DDES in the following categories: (1) reserve for staff reductions; (2) revenue shortfall reserve (amount to cover a 15 percent fee revenue shortfall for three months at the budgeted level for fee revenue); and (3) reserve for fee waivers and other unanticipated costs.

Designated for environmental health services – Segregates environmental health fee revenue which may only be used by Environmental Health Services as mandated by the Board of Health.

Designated for FEMA match – Identifies a portion of fund balance in the Flood Control Zone Districts Fund that has been designated for future use as a local match for federal and state grants in the event of a federally-declared flood disaster.

NOTE 15 – CONTINUED

Designated for operating reserve – Funds designated from Mental Health revenue that are set aside according to the King County Regional Services Network (KCRSN)'s contract with the State Mental Health Division, totaling approximately 5 percent of annual revenues if funds are available. Operating reserve funds are set aside to maintain adequate cash flow for the provision of mental health services.

Designated for Prepaid Inpatient Health Plan (PIHP) risk reserve – Funds used to cover inpatient adjustments, outpatient tier benefits, and closeout expenditures in case the King County Regional Support Network (KCRSN) becomes insolvent. The KCRSN is funded primarily by capitated payments from the State based on the number of Medicaid recipients in King County. These revenues support services for people with mental illness in King County.

Designated for reappropriation – Used at year-end for lapsed appropriations for which special requests have been made to obtain reappropriation in the coming year.

Designated for contingencies – In the General Fund, this account segregates a portion of fund balance to indicate that resources have been earmarked by county ordinance for the following: (1) maintenance of essential county services in the event that General Fund revenue collections in a given fiscal year are less than 97 percent of adopted estimated revenues; (2) payment of legal settlements relating to the collection of past General Fund revenues; (3) payment of catastrophic losses in excess of the Insurance Fund reserve and all other fund balances; and (4) requests for priority capital maintenance projects if and when the contingencies reserve exceeds \$15 million.

Designated for children and family services programs – Segregates a portion of fund balance to indicate that resources have been earmarked by county ordinance to provide children and family services to the residents of King County.

Management Plans for Internal Service Fund Unrestricted Net Assets

The following Internal Service Funds have unrestricted net assets that have been earmarked by County management for a specific future use as of December 31, 2006:

Department of Executive Service (DES) Equipment Replacement Fund – \$1.6 million for the replacement of personal computers.

Information and Telecommunications Services Fund – Data Processing Subfund – \$3 million for rate stabilization reserve and \$148 thousand for planning data center move.

Information and Telecommunications Services Fund – Telecommunications Subfund – \$60 thousand for the replacement of telecommunications equipment.

Insurance Fund – \$10.2 million for catastrophic losses. The catastrophic loss reserve will be used to respond to large, nonrecurring losses exceeding \$1 million per incident.

King County Geographic Information Service (GIS) Fund – \$131 thousand for the replacement of GIS equipment.

Motor Pool Equipment Rental Fund – \$4.5 million for the replacement of rental equipment.

Public Works Equipment Rental Fund – \$7.2 million for the replacement of rental equipment.

Wastewater Equipment Rental Fund – \$4.8 million for the replacement of rental equipment.

NOTE 15 – CONTINUED**Restatements of Beginning Balances**

Motor Pool Equipment Rental, Public Works Equipment Rental, and Wastewater Equipment Rental Funds – In the years 2004 and 2005, the overhead rate related to the vehicle maintenance shop rate was used in the distribution of maintenance staff labor charges between Fleet Administration funds and was also applied to the distribution of administrative staff labor costs in error. As a result, the labor costs in the Motor Pool Equipment Rental Fund and the Wastewater Equipment Rental Fund were overstated and labor costs in the Public Works Equipment Rental Fund were understated.

Water Quality Enterprise – In 2006 Water Quality determined that the West Point Treatment Plant expansion, capitalized primarily in 1995, was assigned a depreciable life that was not representative of the estimated useful life of the underlying assets. To correct this, the estimated useful life was increased from 15 years to 50 years, resulting in a restatement of net assets as of December 31, 2005 from \$327.7 million to \$499.1 million.

The following schedules present detailed information regarding restatements of beginning balances (in thousands):

	GOVERNMENTAL ACTIVITIES	BUSINESS-TYPE ACTIVITIES	WATER QUALITY	INTERNAL SERVICE FUNDS	MOTOR POOL EQUIPMENT RENTAL	PUBLIC WORKS EQUIPMENT RENTAL	WASTEWATER EQUIPMENT RENTAL
